FAIRPLACE CHURCH OKEHAMPTON*

PRELIMINARY MATTER

PROCEDURAL ISSUE

Under the terms of the 2018 constitution, this Agenda, together with the Society's Accounts, the minutes of the 2017 AGM and the Reports of the Chairman and Musical Director, should have been made available to the membership at least 7 days prior to the AGM. The Agenda, Accounts and Minutes were posted on the 22nd November and the Reports of the Chairman and Director of Music will, this year, be given orally. To continue with the AGM would represent a departure from protocol and if Members would prefer, the AGM could be deferred to a later date. It would be open however for Members to elect to continue with current arrangements if it is felt that nobody would be disadvantaged.
